Fruit Cakes - Other Shapes

We can also bake rich fruit cakes to order in various other shapes, including Octagonal, Scalloped Oval, Flat Bell, Key and Fan.

Note:

All fruit cakes are baked in a tin the size quoted but will be a little smaller due shrinkage on cooling. Target depth is 2.5", but deeper cakes can be baked to special order.

How Many Portions ?

Each kg of fruit cake base will yield twenty five portions of just over one inch square. Use the weights shown to calculate the size of cake you need.
